DANCE DEPARTMENT

The dance department is in full swing to get Dance Spectrum finished in time for FOF. The Dance Department is aware that this is placing a lot of stress on parents and learners in order for rehearsals to take place in the afternoons. On the odd occasion the learner may have to miss private class time but that cannot be avoided. Please inform your private teachers of the problem.

Rehearsal times:

Tuesday & Thursday until 16.30

Friday until 18:00

Thanks to all grade 12 learners that performed so well at the University of Pretoria on Thursday 28th January.

The new learners that have to come to afternoon classes at the Classical Ballet School will only have to pay half the fees for it. They also offer RAD examinations.
